ELCITA / POLICY / 2022-23 /001

Date: 2/07/2022

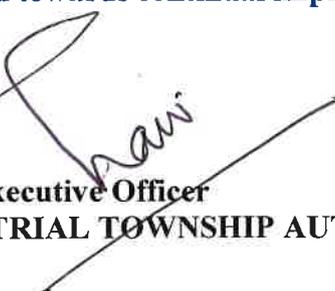

### **QUALITY & ENVIRONMENTAL POLICY**

We, Electronic City Industrial Township Authority at Electronics City, care for the rights of every citizen by “Zero Effect, Zero Defect” approach in all our activities.

We commit ourselves to discharge our Quality & Environmental responsibility consciously and diligently by:

- **Complying with the applicable legal and other requirements related to the Quality & Environmental Aspects**
- **Training, Development and effective participation of all the employees & contractors to achieve best quality and environment system within the “e-City Industrial Township Area”**
- **Protecting Environment by Conserving natural resources, controlling and minimizing waste generation and preventing pollution.**
- **Setting and reviewing objectives and targets directed towards continual improvement of our Quality & Environmental performance.**

  
Chief Executive Officer

**ELECTRONICS CITY INDUSTRIAL TOWNSHIP AUTHORITY**
